

CTA Call for Action

PHASE 2 - 3 July 2009

Call Your Assemblymember and State Senator Today

No Proposition 98 Suspension!

Use CTA's Special Hotline Number to Reach Lawmakers.

1-888-268-4334

- If you are calling from your home landline phone, the toll-free number will connect you automatically to your Assembly member or State Senator.
- If the hotline cannot read your number, it will ask you to enter your zip code and then you will be connected.

Once You are Connected...

- Ask to speak to the Assembly member or Senator. If he/she is not available, leave a message with the legislator's staff or record a message on the answering machine.
- Be sure to identify yourself as a constituent living in the district, as well as a classroom teacher/education support professional/or college instructor.
- Leave your contact information so the lawmakers or their staff can get back to you.

Make These Important Points!

- Do not suspend Proposition 98!
- The proposed cuts would have a devastating impact on our students and public schools (give local examples).
- The Governor's call to suspend the state's minimum school funding guarantee is unacceptable.
- California public schools have already been cut by a record \$12 billion!
- Any approach to solving the state budget crisis must include increased revenues.
- It is time to rescind the corporate tax breaks handed out earlier this year!
- Big Oil and Big Tobacco need to pay, too!
- Stop the political games! The partisan politics and gridlock are destroying our state.

Then, Call the Governor at His Offices!
